The bus was overcrowded, with passengers standing in the aisles, making it difficult to move or find space. The air conditioning was not working, which made the ride uncomfortable, especially during peak hours. I boarded the bus at Mirpur-10 around 8:30 a.m., and despite multiple requests, the driver did not address the situation..

Mo Salah

★ 4.5

The bus service was good, the helper and driver were well mannered, but little bit delay was there, hope they overcome it. 🖐️

John Doe

★ 3.0

Bus stopped at several places without any reason, and it slowed down without any reason, the behaviour of the helper was not very much good.
